

บทความของอาจารย์ผู้รับผิดชอบหลักสูตรปริญญาเอกที่ได้รับการอ้างอิงในฐานข้อมูลของ TCI หรือ SCOPUS ต่อจำนวนอาจารย์ผู้รับผิดชอบหลักสูตร

The screenshot shows the Scopus search interface. The search query is "Genetic variation of Boesenbergia rotunda". The results show 1 document found. The document is an article titled "Genetic variation of Boesenbergia rotunda (L.) Mansf. from Thailand based on essential oil compositions and internal transcribed spacer sequences" by Theanphong O., Mingvanish W., Jenjittikul T., and Rungsithirunat K. It was published in the Journal of Science and Technology in 2021, volume 43(6), with 3 citations.

Document title	Authors	Source	Year	Citations
1. Genetic variation of Boesenbergia rotunda (L.) Mansf. from Thailand based on essential oil compositions and internal transcribed spacer sequences	Theanphong O., Mingvanish W., Jenjittikul T., Rungsithirunat K.	Songklanakarin Journal of Science and Technology, 43(6)	2021	3

The screenshot shows the Scopus search interface. The search query is "Preparation AND evaluation of film forming polymeric dispersion". The results show 4 documents found. The first document is an article titled "Preparation AND evaluation of film forming polymeric dispersion containing Centella asiatica extract for skin application" by Monton C., Lupsong C., Suksaeree J., and Sangsak T. It was published in Advances in Traditional Medicine in 2021, volume 21(1), with 8 citations. The second document is a conference review titled "4th International Conference and Exhibition on Pharmaceutical Sciences and Technology, PST 2021, and the 2nd International Conference on Engineering Tribology and Applied Technology, ICETAT 2020" with no authors found. It was published in Key Engineering Materials in 2021, volume 901, with 0 citations.
